OUR BUSINESS LINES

Manufacturing/Engineering

The Indian industry scenario is witnessing a boom in automobile, infrastructure and energy segment, thus generating large employment opportunities, cutting across all levels, Our strong and focused Engineering team ensures that we meet end-to-end recruitment needs of our clients.

FMCG/Retail

With the services sector leading a robust growth, the retail sector is the next big thing for India. The retail sector currently needs 30,000 manpower resource directly and twice the number indirectly. HRTMS's current challenge is to bring the demand in this sector with the supply of retail professionals.

Telecom / Media / Entertainment

The telecom sector is the fastest growing sectors in the country today. Currently there are 13 million mobile users in the country and this figure is increasing at a very fast pace and is estimated to go up to 80 million in the next few years. Moreover an additional 50 million new landline are also to be added in the next 5 years and the whole country is expected to be connected by broadband / digital cable very soon. This puts the demand for telecom professionals over the next five years. HRTMS's team is geared up to meet the increasing demand.

Banking / Finance / Insurance

The financial services sector has just opened up in India with respect to retail assets, personal banking, private banking, wealth management, NRI services and Insurance. With this the need for financial professionals has increased HRTMS's team is geared up to meet the increasing demand by providing recruitment solution at all level.

Information Technology / IT Enabled Services

Our customer base includes MNC and Indian origin offshore IT services companies, MNC IT product and financial / telecom captive units in India. We provide resource in application software development / post production support, enterprise - wide application package consulting / implementation, infrastructure management services / maintenance support and IT hardware / software product research & development services.
